Farm & Household**

CLEAN SWEEP GUIDELINES

- ◆ Each farm or household may bring any amount of hazardous waste for free disposal.
- ◆ Materials should be properly identified with their original labels.
- ◆ **DO NOT MIX** materials together. Doing so can be extremely dangerous!
- ◆ Pack materials for your safety. Place materials in a cardboard box lined with a plastic bag. Separate each product with a folded newspaper.
- ◆ If a container is leaking, put it into a secondary leak-proof container.
- ◆ Pack containers in the trunk of your vehicle, away from the driver, passengers and pets.
- ◆ Unknown materials can be brought in, but Dodge County and its hazardous waste disposal contractor reserve the right to refuse any material.

CLEAN SWEEP

Clean Sweep is a limited time collection of unwanted, unused or damaged agricultural or household hazardous wastes and pharmaceuticals. This program collects, treats, stores, or disposes of waste in an environmentally safe method through a licensed hazardous waste facility. Hazardous wastes can usually be identified by products labels which contain any of the following words:

Caution, Warning, Danger, Poison,
Toxic, Ignitable or Flammable, Acid,
Corrosive or Reactive.

WHO CAN PARTICIPATE?

- ⇒ All residents of any county are eligible to participate.
- ⇒ Farms and businesses need to pre-register.
- ⇒ Household Clean Sweep items can be taken to any location at times listed.
- ⇒ Pharmaceuticals can be discarded at the Beaver Dam location ONLY!

VERY SMALL QUANTITY GENERATOR (VSQG) PROGRAM

A VSQG is a small business that generates less than 2,205 lbs., of legally defined hazardous waste.

Small businesses can take advantage of the lower collection and disposal rates negotiated by the state of Wisconsin for household and agricultural hazardous waste collection programs. Agricultural small businesses are also eligible to receive a 50% cost share from state pesticide funds, lowering the cost even more. To participate, call the UW-Extension office, 920.386.3790 **by August 15, 2017.**

PRE-REGISTRATION IS REQUIRED FOR AG & VSQG BUSINESS COLLECTION

Register by calling Dodge County UW-Extension office at 920-386-3790 between 8am and 4:30pm, Monday through Friday.

ONLY phone reservations accepted. Register before **August 15, 2017** for VSQG and AG.

Be prepared to estimate the amount of material brought to the location (pounds of dry and gallons of liquid).
